What is an SAR? How do I get one?

The SAR is required for the Scholarships Inc, application – the FAFSA will _not_ be accepted! If a SAR is not submitted, the application will not be processed.

Once a FAFSA application or correction is processed, you will receive a Student Aid Report (SAR) in one of the following ways:

- If you provided a valid _e-mail address_, an e-mail notification will be sent to you, within 3 to 5 days, with instructions on how to access an online copy of the SAR to print.

- If no valid e-mail address is on file, the SAR will be mailed to you by postal mail within 7 to 10 days.

To print your SAR:

1. Log in to your student FAFSA account on **fafsa.edu.gov**
2. When you are logged on to your **My FAFSA** account, go to the bottom of the page and click the link to **View or Print Processed Information**
3. This should bring up your Student Aid Report – it will say Electronic Student Aid Report (SAR) in the top right corner

If you need additional help, call the Customer Service Center at **1-800-4-FED-AID (1-800-433-3243)**

Note: You cannot access your SAR until your PIN information has been verified by the Social Security Administration (1-3 days after you submit your PIN application). If you have recently applied for your PIN, you may have to wait 1-3 days before using it to view your SAR.
